Come On In

## Spicy Rooms

The resort's 63 rooms and duplex suites are bright, stylish and spacious with an inviting, cosy ambiance and great views from private balconies. With many modern amenities, you can make yourself right at home.

## Healthy Options

For a boutique resort, there's lots of activities for guests - poolside fitness centre, mountain bikes, swimming in our freshwater pool or simply relaxing on sun loungers. When the day is done, a soothing visit to Adora Spa refreshes and revitalizes.

## Trendy Dining

The uniquely designed Spice Room with its brilliant curtains and Chinese lamps offers all-day dining on Thai and international favourites. Alternatively, enjoy light meals and drinks at the Pool Café or a romantic dinner in the privacy of your room.

Red Ginger brings chic to the beach, a cool and ultra-stylish property at Krabi's popular Ao Nang Bay. This colourful 4-star resort has an infectious sparkle that makes staying here such a delight, combining a fashionable boutique look with cosy accommodation. Add in trendy dining, health and meeting facilities just a few steps from the beach and entertainment areas. You know you will enjoy it here.
